- Produced captivating Naval training videos, from concept to finished DVD, that continue to educate sailors today.
- Proficiently transitioned company from an outdated analog system to a cutting-edge digital video suite.
- Crafted interactive course-ware for ship and submarine on-board training by utilizing stock footage, animation, graphics/motion graphics and photo imaging.
- Often times, engaged couples at Exeter Chapel would ask me to create their wedding video.
- Effectively balanced multiple diverse projects by working independently on them as well as collaborating with others for high-quality products.

- Delighted clients by creatively and effectively translating their drawings, sketches, and photos into 3-D computer renderings of custom display units for jewelry, clothes, and product.
- By providing assembly drawings and material lists, production could clearly understand the design of each unit.
- **Exeter Chapel** - Designed, built, lit and directed the musical; *The Door* and an annual dramatic *Living Nativity*.
- With both the **North Kingstown Players** and **Exeter/West Greenwich High School Drama**, my designs raised the bar for the scenic experience, utilized the students/players in the construction and painting of sets.
- Through enthusiastically received, all-church and multi-church dramatic presentations, the Exeter community witnessed the Gospel in refreshingly new ways.
